

**LIGHT  
YOUR  
HEART  
WITH  
HOPE**

*podcast*

Where do you turn when  
you feel hopeless?

Where do you run when you're  
falling apart and want to give up the  
fight?

Where do you go when the pain  
feels paralyzing?

There is only one place to turn.

One Person to run to... God.

The God who sees you, knows you,  
loves you, and promises to meet you  
right where you are.

That's why we created this booklet.  
And why hopefully you will share it  
with someone else.

Because we all need to be reminded  
that hope is not lost.

Our prayer is that you will find  
HOPE in the midst of your story.  
No matter what you've walked  
through... no matter what you're  
currently walking through...  
you are not alone.

There is HOPE  
in the HEARTBREAK.  
There is PURPOSE  
in the PAIN.  
There is BEAUTY  
in the BROKENNESS.

You matter.  
Your life matters.  
There is hope for you.  
Hope that lasts for eternity.

The same God that was with  
me in my greatest heartbreak,  
is the same God who is  
*with me*  
in this moment today.

Jill Kelly

*God can turn your mess into  
your greatest message.*

Nobody is promised tomorrow.  
I'm not going to worry about tomorrow.  
I'm not going to worry about next week.

*I'm living for today.*  
What matters most today.

Becky Bourassa

*God's faithfulness is not conditional.  
It is not based on how much faith you  
have, but on how faithful He is.*

*Seek Jesus*

Even if you don't think  
you need Him.

Lina Sereno

*God's unfathomable grace, love,  
and protection are what carry us  
through the unimaginable.*

I would rather walk  
through the fire  
*with God*  
than without Him.

Amy May

*God's doesn't leave us in the fire.*

*He meets us there.*

*He walks alongside us.*

*He carries us through.*

But if not,

*He is still good*

Even if He doesn't do exactly  
what we want Him to do,  
God's faithfulness is still good.

Karlita Blackwell

*Your circumstances may change,  
but God never will.*

*Even if your circumstances aren't good,  
God still is.*

God is right there for you,  
but you have to let Him know  
that you want Him in your life.

You have to let Him know  
that you need Him.

He knows all of this, but  
*He wants you.*

Sheila Schmitt

*God is the Way Maker!  
He will make a way where  
there seems to be no way.*

You quickly learn that He has this  
huge plan for you that keeps  
impacting lives around you.  
And you can see it every day if you just  
*stop and look at it.*

Kyle & Christin Webb

*God is holding every piece of your  
life in His mighty hands.  
You can trust that He carries  
what you cannot control.*

I can testify that God used the  
mess, the struggle, the challenges,  
to draw me to Himself,  
to show me His love, to reveal His  
*faithfulness.*

Christina Levasheff

*What if the answer to your prayer  
looks more like a mess than a miracle...  
What if that's exactly what God intends  
for His glory and your good.*

Some days you don't know  
how you're going to get through it.  
But you will.

*He will get  
you through it.*

Kaprice Shullanberger

*Let your life speak louder  
than your words.*

*No matter who you are or  
what you've walked through,  
God wants to use your life  
to impact others.*

I keep having to tell myself  
that there's a plan and He wouldn't  
just take an innocent boy from us  
without having a  
*greater plan.*

Kasey Feldt

*Getting to the end  
of your own strength  
is a beautiful place to be  
because God's right  
there to fill you  
with His strength.*

*Jesus is everything*

He's the light of day.

He's the stars at night.

He's the love that you feel.

Jesus is everything.

Scarlett Measles

*You don't need to pull yourself  
together in order to come to Jesus.  
He welcomes you with open arms  
just as you are.*

God uses our sorrow.  
He doesn't waste it.  
Hard things are going to happen,  
but it's not to punish us.  
It's not abandoning us.  
*It's refining us.*

Jenna Wallace

*Your story can move mountains  
when you allow God to  
move mountains in you.*

*Just being there  
for people.*

That sometimes is all you can do.

Valerie Phillips

*Sometimes words aren't needed.  
Sometimes all someone needs  
is to know they're not alone.*

*Hug the hurting.*

As a believer in Jesus Christ,  
we just have to be willing to take

*one more step*

and trust that His  
foundation is going to be  
underneath that next step.

Julie Allen

*Sometimes God doesn't  
change your circumstance  
because He wants to  
change you.*

Make Jesus the center  
of everything and just  
remember that you're

*not alone*

in this struggle.

Kristal Abner

*God never said life would be easy.*

*But He did say that He has  
overcome the world and therefore  
there is hope no matter what.*

Everything  
He does has a  
*purpose.*

Wyatt Abner

*No pain  
can change  
God's plan.*

You can choose to be angry at God  
and completely turn away and  
run in the other direction, or you  
can choose to

*look to Him  
for hope.*

Beth Brooks

*Choose to move forward  
into what God has in store  
instead of looking back and  
wanting what used to be.*

It doesn't matter  
how long we live, it matters  
*how we choose to  
live it.*

Lesa Brackbill

*Life is short.  
How are you going to  
choose to live?*

God has something far  
*more beautiful*  
than the broken world that we  
live in today.

Tonya Goodin

*When you know your why  
it changes the perspective  
of your story.*

*God knows*

where you are going.

He already has our book written.

He knows every chapter.

You have to have faith in Him and

know that He has us.

He's got His arms wrapped around us.

Kelly Marcucci

*Our story is beautiful  
because it's wrapped up in  
God's greater story.*

I would do it all over again  
through all the hardship,  
through all the tears,  
through all the crying.

Because all of the blessings and the love

*outweigh the  
hardship.*

Tammy Wilson

*What God allows into our lives  
has been filtered through  
His loving, good hands.*

It's not wasted suffering.  
It's not wasted grief.  
Every tear I've cried has a

*purpose*

And it is for my good somehow,  
even if I can't see it, and for His glory.

Bobbi Blanchard

*Joy isn't the absence of pain.  
Joy isn't the presence of perfection.  
Joy is found when broken things  
can be seen as beautiful.*

I know through my grief  
the one person who has never failed me,  
the one thing I can always count on,  
no matter what, is the  
*presence of God.*

Dianna Greene

*It's out of God's love for us  
that He longs to draw near  
to us in our pain.*
